TESTIMONIALS

“Scott was fantastic and his vision in creating the most incredible venue to host our wedding is unparalleled. Our friends still talk about our wedding and the venue. The service and accommodating our needs were so appreciated. Thank you Muskoka Foundry!”

-Autumn & Sarah

“We recently held our wedding at The Muskoka Foundry in Bracebridge, and I can't express how completely blown away we were by the entire experience. From the rehearsal dinner to the wedding day itself, every detail was meticulously handled, making our special day even more unforgettable.

We faced some challenges leading up to the wedding, including losing our original food vendor. Scott and his team stepped in, not only accommodating our original menu but also exceeding our culinary expectations—all within just a few weeks' notice. Not only was the food amazing, but the service was impeccable. Every single guest was raving about how delicious everything was. The team at The Muskoka Foundry ensured that everything ran seamlessly.

I cannot recommend The Muskoka Foundry and Scott highly enough. They turned what could have been a stressful experience into a day of pure joy and perfection. If you're looking for a venue that will go above and beyond to make your day special, look no further than The Muskoka Foundry.”

“I booked the Foundry for our wedding. We met with Scott, the owner, almost a year prior. It was great to be able to host our ceremony, dinner, and dancing space, all in one building. The wall of iron press molds has to be my favorite part of the massive talking piece that is the ENTIRE venue. We had communication constantly through the months leading to our event to discuss logistics. I have not heard a single bad thing from our guests. From the vintage truck to the 50’s style bar, it was thoroughly enjoyed by all. I would absolutely come back again.”

-Audrey de Sousa

Recently attended an event at the Foundry. What a cool space, really unique, not your ‘cookie cutter’ event space. Lots of character. Loved the food offered by ‘Hot BBQ. It’s the ‘real deal’, authentic BBQ by people who know what they are doing, and a staff that cares about your experience. Highly recommend! Will definitely be back!

-Julie Maw
